HIDDEN HILLS COMMUNITY ASSOCIATION

EQUESTRIAN SERVICES TIP OF THE MONTH

BE CAREFUL GRAZING YOUR HORSES IN THE TALL LUSH GRASS

FIDDLENECK - POISONOUS PLANT TOXIC TO HORSES

While this time of year brings lush green hills to the Hidden Hills community, please be aware of the potentially toxic plants that are often lurking among the tall grass. Normally not seen in Hidden Hills, Fiddleneck is one of the many plants that can be toxic to horses and can easily be mistaken for a Mustard plant.

Fiddleneck weed, also known as *Amsinckia*, is a common weed found in many parts of North America and can be particularly harmful to horses if ingested. Fiddleneck can grow up to two feet tall. Its leaves are long and narrow, and they have a rough, sandpapery texture. The plant has small, trumpet-shaped flowers that are typically yellow or orange, and they bloom in late spring or early summer.

Why Fiddleneck Weed is Harmful to Horses:

Fiddleneck weed contains a toxin called pyrrolizidine alkaloids (PAs). When horses consume this weed, the PAs can cause liver damage, which can be fatal. Ingesting just a small amount of fiddleneck weed can be harmful to horses, and repeated exposure can lead to chronic liver disease.

If a horse does ingest fiddleneck weed, it is important to contact a veterinarian immediately. There is no specific antidote for fiddleneck weed poisoning.

Please inspect any areas before you allow your horse to graze to avoid ingestion.

LETTER FROM THE NEW GENERAL MANAGER

April 2023

Dear Residents,

I am thrilled to introduce myself as the new General Manager of the Hidden Hills Community Association. I am honored to have been given this opportunity to serve this neighborhood and its residents.

As the new General Manager, I am committed to working closely with the Board of Directors, our staff, and all members of the community to ensure that we continue to maintain and improve the quality of life that you have all come to expect. I am passionate about community involvement and look forward to fostering relationships with all our residents to ensure we are providing the best possible service and support.

I am excited to share we have some great initiatives planned for the upcoming year. Our focus will be on enhancing the community through various programs and events, improving our infrastructure and facilities, and providing an open and transparent line of communication between residents and the HOA.

I am dedicated to keeping the community informed about all upcoming events and developments, and I welcome any feedback or suggestions that you may have.

It is my honor to be a part of such a wonderful community, and I look forward to working with you all to make Hidden Hills an even better place to live.

Sincerely,

Erin Tudron

General Manager, HHCA

LETTER FROM HOA: FENCES & LANDSCAPE

April 2023

Dear Residents,

We hope this message finds you well. As we move into the warmer months, we would like to remind you of the importance of maintaining your property and ensuring the safety of our community.

It has come to our attention that some 3-rail fences in the community may be in need of repair. We would like to remind all residents that broken or damaged fences can pose a hazard to both humans and animals. We kindly request that you take a moment to inspect your 3-rail fence and make any necessary repairs. Inspections will be done in the next few months.

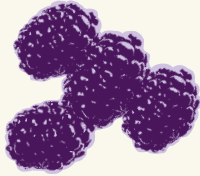

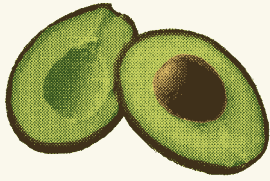

Additionally, we would like to remind residents that any alterations to your landscape, including installation of drought tolerant plants or artificial turf, requires submission to the Architectural Committee for review and approval prior to work being done. Please call the office for an Application form.

Thank you for your attention to this matter. By working together, we can help to ensure that our community remains safe and beautiful for everyone to enjoy.

Sincerely,

Karen Liebrecht

Administration Manager
