Seed Landcare Updates

- Round Meadow Gate plants froze during the harsh weather and will be cut back and replaced.
- All emergency tree removals suggested by Evin with Monarch, have been removed.
- Trail clearance is beginning now.
- Fuel modification area is cleared twice a year.
- Seed Landcare purchased 2 new weed eaters.

New Business

- Saddle Creek regrading project. Re-grading the grass area by Saddle Creek Arena will make that grass area more usable for the residents. The regrading project will add an additional \$180,000 onto the new budget. This expense will not be coming from the Landscape budget.
- The slope behind the basketball court should be regraded to keep the slope from sliding down on the chain link fence. Fence is broken and needs repairs. Lynne will get quotes for the repair of the fence and re-grading of the slope to prevent any further slippage of the hill.

Meeting adjourned at 9:30 a.m. and continued on the slope behind the tennis court till 10:15.
