

Parks & Recs Committee Meeting
Monday August 31st, 2020
MINUTES

Zoom meeting Attendees: Liz Moses, Katie Rothman, Michelle Goldstein, Olivia Plouffe, Maggan Nord, Mitch Jacobs

First order of business was the HH Cookbook – our goal is to complete it late September/early October. Katie is reviewing the categories of recipes we have received, and we will determine what we are missing and advertise again (ie: need more Appetizer Recipes). There are many recipes that are not properly formatted in Word, that will need to be retyped...Michelle and Olivia volunteered to help with this as soon as Katie provides them with the recipes that need formatting.

Drive-In Movie Night – We are looking to schedule in October, either a Friday & Saturday night or Saturday-Sunday evening. The Round Meadow Parking lot will be the venue, and it can accommodate approximately 50 cars, or with Golf Carts maybe slightly more. Fun Flicks Outdoor Movie provider will bring a 33 Foot screen, Hosts for the event, Sound system including FM Transmitter, and it is a full service event. The start time is 15-20 minutes after sunset. Cost for the 2 nights will be approximately \$2,600 estimated. Power is needed so may need a generator.

The Committee discussed several ideas for Virtual Events, where neighbors can participate at home via Zoom in an organized event. Music Bingo was voted a favorite one to try – we will look for services that organize this. Virtual Cooking Class was another favorite idea and Maggan was going to check with Helen to see if she would want to host this idea, especially on a Tuesday Evening to promote the Farmers Market and getting fresh items there for recipes. Virtual Texas Holdem was also an interesting Virtual activity to explore. Wine tasting is another idea.

Halloween – The County will dictate what we can do for Halloween – if there is no Trick or Treating, the following ideas were proposed:

Halloween Parade – A socially distanced parade for kids in costume – golf carts and cars to maintain social distancing -

Costume Contest via Photos – people will submit their photo in costume to the Committee and we will vote on several different categories
House Decorating Contest was also proposed
