

Hidden Hills Community Association
Parks & Recreation Committee ZOOM Meeting
4:00 pm September 16th
Minutes

The committee had a ZOOM call to discuss what the HOA Board had approved on all of the Halloween activities that we had come up with – we discussed the following:

Spook Trail was NOT approved due to the risk of children gathering on the trail and the Board did not want to promote any activity that involved gathering. The Committee is still trying to understand the rationale here but Liz explained what exactly the Board had stated.

The BOO-ing event was approved and Carrie Levis agreed to create the items for the Boo Bags. The distribution of the BOO Bags will begin the week of October 13th! The budget is \$1,500 for 100 BOO Bags. Signing up for BOOing will be via Eventbrite for no cost.

The Parade Budget for Candy was approved for \$1,000 but with the new LA County regulations of needing to be in your own car, enclosed with seat belts on to WATCH the Parade we decided to not have the Parade under these conditions. We are instead are doing an enhanced COSTUME and HOUSE DECORATING CONTESTS virtually for the Community. Information will be distributed and there will be several categories for the house decorating to account for both Professional and Amateur House Decorating. We will have gift cards and prizes for these contests, which will also include a PET/Animal Category.

Halloween Food Trucks will be Vivace Woodfired Pizza and 8E8 Thai Food from 4pm-8pm on October 31st per the Board's request to add an additional truck. Online Ordering only and NO Walk Ups are permitted, which is consistent with the normal Food Truck ordering.

The Drive IN Movie night is scheduled for Sat Oct 17th and Sun Oct 18th - the Committee is hoping to get the movie Hocus Pocus but it will be up to the whether we can get the rights to this movie. Some alternatives are Adams Family etc. We were able to get permission to use the vacant lot on Bridle Trail in order to accommodate at least 50 cars per night. The committee will volunteer along with Covered 6 helping direct traffic.

Nitropod is hosting a Charity Event for My Friends Place – buy 1 ice cream and donate 1 ice cream on Thursday September 24th during the Food Truck event.

The meeting was adjourned at 5:30 pm
