Meeting called to order at 12:21PM.

Those committee members present were: Maggan Nord, Ashley Hawk, Liz Moses, Olivia Plouffe, Peggie Siegel, and Michelle Malinovitz.

Mali Malka Nachum joined the meeting as a guest to discuss a teen event. She proposed a plan and budget. She was willing to head up the event and would look to possible outside sponsors. It will be on the agenda for next month to discuss a date.

Olivia is going to start a Hidden Hills Parks N Rec Facebook page. This can also be used to help to start to market the farmer's market. Cary, the HOA manager has discussed with Carrie that the City of Hidden Hills would like the HOA to take over the farmer's market.

Tennis tournament-possibly December 11th. It was discussed to have the event be only one day possibly a Saturday and to possibly include kids. If you don't have a team, one will be assigned to you. The budget is \$500.

Heather Lieberman stopped in to discuss the community garden. Her son is looking to do his Mitzvah project and would like to create a garden. We discussed surveying the community to see if there is a need and want as this would be a project the Lieberman's would spear head up to start, but it would eventually need to be taken over by the community. Heather proposed a location at the Spring Valley arena. It was conveyed to her that there are currently plans underway to redesign this area. Some's are:

- 1) How much time would you be willing to give
- 2) possible sponsorship of a fruit tree

Halloween Party is handled between Carrie, Olivia, and Tamika. Boo bags are ready for distribution.

Carrie will send contact information to Ashley for Drag Queen Bingo.

Maggan is meeting with the Oak community parks n rec to discuss charitable soccer match.

Due to time restraints, the committee was unable to discuss the planning of the Winter Social. The committee will be conducting a mini meeting prior to our next monthly meeting to discuss it.
